1. Prints on monochrome receipt paper
2. Printer status LED
3. Paper feed button

---

### Models

HP Value PUSB Receipt Printer

F7M67AA

---

### Overview

#### Introduction

Complete your retail solution with the HP Value PUSB Receipt Printer, a single-station thermal receipt printer designed for solid performance and reliability in retail environments.

---

#### Key Benefits

- Help reduce cable clutter with a single Powered USB connection to the host platform. Connect the included cable to your platform, add paper, and you're ready to go.
  - 2MB flash memory allows printing logos or special offers and coupons.
- 

#### Compatibility

The HP Value PUSB Receipt Printer is compatible with the HP Retail Systems.

**NOTE:** Not all HP Retail system models are available in all regions.

Not all HP Cash Drawer models are available in all regions.

This printer does not comply with fiscalization requirements that may be required in certain countries.

---

#### Service and Support

Three (3) year limited warranty with advance exchange when purchased from HP. Additional HP Care Pack Services options are available to extend warranty coverage.

---
