Overview

MODEL

Part number: IWC-G1V61AA

INTRODUCTION

The HP Integrated Work Center Stand – Thin Client is designed To provide convenient access to the Desktop Mini and select Thin Clients to help maximize the use of limited desk space without compromising performance or productivity. It will support many HP 17 to 24-inch¹ diagonal LCD monitors (see compatibility below), with VESA standard mounting brackets.

KEY FEATURES AND BENEFITS

- Make the most of small workspaces with an HP IWC Desktop Mini/Thin Client that let you create a compact desktop solution by combining a display¹ with an HP Desktop Mini or Thin Client.
- Save time and work smarter with easy front access to your HP Desktop Mini or Thin Client inputs, connectors and power buttons.
- Run all your cables through the guides, and secure the HP Desktop Mini’s power brick out the way on the back of the stand.
- Power brick tray for Desktop Mini keeps the power brick completely off the desk and out of the way.
- Find your best viewing position with adjustable height, tilt, and swivel adjustment settings.
- Built in HP Quick Release enables easy installation and removal monitor.

MOUNTING

Desktop Mini Mounting or Thin Client Mounting:

Use the 15.5mm screws (provided) to attach to the base of the standard an additional Hp Quick Release Bracket EM870AA (purchase separately) to attach to the back of the stand.

Power brick for Desktop Mini:

Place the Desktop Mini Power brick in the tray on the back of the stand

Cables:

Route the cable through the guides

COMPATIBILITY

The Integrated Work Center Stand Desktop Mini / Thin Client is designed to exclusively accommodate HP Desktop Mini, HP Thin Clients, HP Chromebox and select HP LCD monitors (each sold separately).
