

HP All-in-One PC 22-2120nx

All touch. All-in-One. All your family needs.

Packed with features, the HP All-in-One is everything your family needs in one sleek device. Stay entertained with a Full HD¹ display and DVD-RW drive and put your mind at ease with HP SimplePass security. Plus the 10-point touch display makes Windows 8.1² navigation fun and easy.

HP recommends Windows.

Full HD display.¹

Immerse yourself in a display designed for productivity and entertainment with the crystal-clear Full HD¹ LED display. Innovative LED technology displays images in new-found clarity while conserving energy.

10-point capacitive touchscreen.

Interact with your PC in a more engaging way with multi-touch gestures on the 10-point touchscreen.

Re-writable DVD drive.

Watch DVD movies³ using the optional, integrated optical drive—or write your own media.

HP Connected Music.

Access multiple music sources from one location with HP Connected Music. Listen to radio stations and broadcasts from all over the world with TuneIn Radio and integrate your music library and leading music services in a single, unique application.⁴

¹ High definition (HD) content is required to view high-definition images. ² Not all features are available in all editions of Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8.1 functionality. See microsoft.com. ³ Actual speeds may vary. Don't copy copyright-protected materials. ⁴ Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet access is required and not included. Optional features sold separately or as add-on features.
