

HP Pavilion x360 11-k053nia

**360° of versatility.
One smart price.**

There's no limit to what this value-packed convertible PC can do. Easily convert from notebook to stand to tent to tablet mode. It's an app-loving, friend-connecting, 360°-bending machine.

HP recommends Windows.

Four versatile modes

Work in notebook mode, watch in stand mode, play in tent mode, go in tablet mode. With the new hinge, easily flip between any mode whenever the mood strikes.

Liberating battery life

Leave the cord behind and take on the day with a long lasting battery. Bye-bye, outlet. Hello, outside world.

Save-everything storage

Who knew a machine this slim could store so much? A 1 TB hard drive, B&O Play audio, and great price makes this convertible PC the smartest choice for your entertainment.¹

HP Connected Music.

Listen to music from multiple sources – all from one app. Enjoy your local music and iTunes library together with streaming services, including TuneIn Radio and Deezer.²

¹ For hard drives, TB = 1 trillion bytes. Actual formatted capacity is less. ² Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet access is required and not included.
