

HP Pavilion Notebook 17-g051na

Expressive colours. Impressive power.

Redesigned with you in mind, the colourful HP Pavilion keeps getting better. Our best-selling notebook is now more powerful so you can watch more, play more, and store more, all in style.

HP recommends Windows.

Brighter style

Colourful inside and out and with a new gradient-design around the keyboard, you'll be sure to make an impression wherever you take it.

Performance boost

We've upped the processing power with the latest technology so you can experience truly impressive speeds and performance.

Store more

Up to 2 TB of storage and increased memory lets you quickly move between multiple apps and easily store your expanding entertainment library.

HP Connected Music.

Listen to music from multiple sources – all from one app. Enjoy your local music and iTunes library together with streaming services, including TuneIn Radio and Deezer.¹

Featuring:

- Start up in an instant, quickly switch between applications, and manage files easier, with the fast and fluid Windows 8.1.²
- Watch DVD movies³ using the optional, integrated optical drive—or write your own media.
- Connect to displays, printers, devices, and more with ease.
- Run errands, travel and go about your day longer without worrying about recharging.⁴

¹ Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet access is required and not included. ² Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>. ³ Actual speeds may vary. Don't copy copyright-protected materials. ⁴ Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <http://www.bapco.com> for additional details.

Datasheet

HP Pavilion Notebook 17-g051na
