

HP All-in-One 20-r091na

Family tested. World approved.

If you've been holding out for the All-in-One that gets the green light from everyone in your family, then this streamlined PC gets the vote. Practically priced and feature-rich, no wonder everyone loves it!

The power to please

Why is HP a leading All-in-One brand? Because it has enough power for the whole family to stream, study, and stay super productive.

Expand your view

Your videos will rock on this brilliant HD¹ display. And if you need another screen, we've added HDMI-out so you can simply connect to double your display space.

Quality engineering

We want you to buy confidently; so all our products undergo a set of rigorous hardware tests to guarantee you're bringing home affordable quality that lasts.

Featuring:

- Enhance your photos, movies, and games with a brilliant HD+ display and experience your visuals in captivating quality.⁴
- Handle all your everyday tasks easily. With industry-leading processors, get the reliable performance you expect and quality you can count on.
- Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.

^{1,4} High definition (HD) content is required to view high-definition images.
