

HP Pavilion Desktop 550-001ne

Back and bolder than ever.

While other towers have been standing still, HP has revolutionized the category. From magnified performance and reliability, to its stylish redesign, this HP Pavilion is the best thing to happen to towers in over 20 years.

HP recommends Windows.

Keeping up appearances

This desktop comes infused with style. Revolutionize your workspace with the redesigned HP Pavilion.

Performance worth bragging about

Up to 3 TB of storage, optional graphics, and up to 2 display support let the hardware we packed in this tower stand up to even the closest scrutiny.¹

A trusted leader

Decades of experience have taught us there's nothing more important than trust. Our rigorous set of hardware tests help ensure you always get proven reliability.

HP Connected Music.

Listen to music from multiple sources – all from one app. Enjoy your local music and iTunes library together with streaming services, including TuneIn Radio and Deezer.²

¹ For hard drives, TB= 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB of hard drive is reserved for system recovery software. ² Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet access is required and not included.
