

HP ENVY Desktop 850-000ne

Game on

We set out to change the way you think about towers. With jaw-dropping speeds and stunning graphics, switch between designing spreadsheets, editing video and crushing your enemies on a PC that was redesigned with one goal in mind: to give you game-changing performance.

HP recommends Windows.

Change the Game

Get ready – you'll be in for a white-knuckle ride. Optional overclocking!¹ Intel® Core™ i processor and latest NVIDIA GTX or AMD R9 graphics let you maximize power for an exhilarating experience.

An unprecedented design

Mix the perfect amounts of attitude and style with a premium brushed-metal chassis and signature vertical line to hide ports, and red LED lighting that enhances your gaming experience.

Engineered for the future of Gaming

This desktop can evolve with you. With optional liquid cooling and tool-less access to the hardware, crank up your gaming power with addictive customizability.

HP Connected Music.

Listen to music from multiple sources – all from one app. Enjoy your local music and iTunes library together with streaming services, including TuneIn Radio and Deezer.²

¹ Altering clock frequency and/or voltage may: (i) reduce system stability and useful life of the system, processor, and other system components; (ii) cause the processor and other system components to fail; (iii) cause reductions in system performance; (iv) cause additional heat or other damage; and (v) affect system data integrity. HP and Intel have not tested, and does not warranty, the operation of the processor beyond its specifications. HP and Intel have not tested, and do not warranty, the operation of other system components beyond their industry standard specifications. HP and Intel assume no responsibility that the processor and other system components, including if used with altered clock frequencies and/or voltages, will be fit for any particular purpose. ² Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet access is required and not included.
