

HP Pavilion All-In-One 23-q001ne

More than a PC. A centerpiece.

It's about time to think of the desktop as the slim, sleek device it can be. This leading All-in-One's distinctive look brings fashionable design to the center of your home, and its trusted HP performance makes the experience just as unforgettable.

HP recommends Windows.

The wow factor

With a beautifully engineered aluminum-coated stand and a soft pearl-coat finish, this All-in-One brings your interior design to the next level.

Powered to do more

A powerful Intel® Core™ processor and plenty of RAM provide an exciting level of power for creating photo projects, streaming your latest shows, and managing your home.

Edge-to-edge entertainment

Full HD resolution with an edge-to-edge glass IPS display brings your movies and photos to life in a cinematic way. Your TV may get dusty.¹

HP Connected Music.

Listen to music from multiple sources – all from one app. Enjoy your local music and iTunes library together with streaming services, including TuneIn Radio and Deezer.²

¹ High definition (HD) content is required to view high-definition images. ² Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet access is required and not included.
