

# HP Spectre x360 13-4097ne

## Does your notebook bend over backwards for you?

It's time to demand more from your notebook. Function meets flexibility in the elegantly designed x360. Any way you bend it, the Spectre x360 delivers. With four modes, lightning-fast performance, and impressive battery life, this convertible notebook has the best of all worlds and the shortcomings of none.

HP recommends Windows.

### Distinctive versatility

Enjoy a seamless transition from notebook to tablet and everything in between, with an elegantly designed 360° hinge that lets this convertible notebook look great in every position.

### Stunning style from any angle

Amazingly thin and light in a visually stunning metal body, this convertible notebook is a masterful blend of design and performance. With four modes in a 15.9 mm profile, what else compares?

### Impressive performance. All day portability.

Enjoy lightning-fast performance throughout the day on this premium x360 that boasts up to 12.5-hours of battery life for your non-compromising schedule.<sup>1</sup>

### HP Connected Music.

Listen to music from multiple sources – all from one app. Enjoy your local music and iTunes library together with streaming services, including TuneIn Radio and Deezer.<sup>2</sup>

### Featuring:

- Windows 8.1 or other operating systems available
- View photos, videos, and games with stunning clarity from almost any angle on this 33.8 cm (13-inch) diagonal Full or optional Quad HD touchscreen display with ultra-wide viewing angles.<sup>3</sup>
- Keep up with your most demanding tasks while preserving battery life with the speed and responsiveness of the powerful 5th generation Intel® Core™ processor.
- Meet the lightning-fast drive that can keep up with your every demand. Load your apps fast with quick and efficient HP Solid-State Drives.

<sup>1</sup> Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <http://www.bapco.com> for additional details. <sup>2</sup> Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet access is required and not included. <sup>3</sup> High definition (HD) content is required to view high-definition images.
