

HP Pavilion Mini Desktop 300-150nx

Mighty power. Tiny size.

Get big power without the large tower with the next generation HP Pavilion Mini. Powerful features in a small, attractive package means you can have all you need in a PC and at an affordable price.

HP recommends Windows.

Big power.

Primed for productivity with Windows 8.1, the latest Intel® processor, plenty of hard drive storage, and dual monitor support.¹

Stylish small package.

This tiny PC really stands out. It's attractive enough to sit on your desk, yet small and cool enough to keep in a cabinet.

Energy Efficient.

Get all the features you expect in a tower while using less energy on average. Using only 45 watts of power, the HP Pavilion Mini is small and smart.

HP Connected Music.

Listen to music from multiple sources – all from one app. Enjoy your local music and iTunes library together with streaming services, including TuneIn Radio and Deezer.²

Featuring:

- Windows 8.1 or other operating systems available.
- With up to 1 TB of storage space, you can have more - more music, more videos, more photos.³
- Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.
- Protect your PC from malicious software and dangerous online threats with a free 30-day McAfee LiveSafe subscription.⁴

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>. ² Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet access is required and not included. ³ For hard drives, TB = 1 trillion bytes. Actual formatted capacity is less.
