## Designed to inspire you

This HP ENVY is stylish. It's sophisticated. It's smart. Because, guess what? So are you. Your creative energy can't be contained, and you need a machine that can keep up. Be ready for when inspiration strikes.

HP recommends Windows.

### The power to innovate

This machine has the muscle to back you up. With an Intel® Core™ processor, optional solid-state hard drive, and powerful graphics card, you can do so much more.

### High-end design

Proudly display this stylish PC. The stunning brushed metal finish looks as sharp as your next masterpiece.

### Creativity unleashed

Feeling inspired? With included photo and video editing software, up to three-display support, and impressive graphics, the HP ENVY fuels your imagination.

### HP Connected Music.

Listen to music from multiple sources – all from one app. Enjoy your local music and iTunes library together with streaming services, including TuneIn Radio and Deezer.<sup>1</sup>

### Featuring:

- Start up in an instant, quickly switch between applications, and manage files easier, with the fast and fluid Windows 8.1.<sup>2</sup>
- Do more, faster. Packed with the latest power and performance technologies - including a 4th generation Intel® Core™ processor - keep up with the most demanding tasks.
- Watch DVD movies<sup>3</sup> using the optional, integrated optical drive—or write your own media.
- Connect to displays, printers, devices, and more with ease.

<sup>1</sup> Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet access is required and not included. <sup>2</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality.
