

HP Notebook 15-r237ni

Exceed your expectations, not your budget.

Get the features you need and the reliability you expect with this value-packed HP Notebook. Enjoy rich, smooth web chats with the stunning HD display and easily take it on the road with a thin design combined with security features to protect your data.

HP recommends Windows.

Vivid HD display.

Showcase your work in high definition with a backlit HD LED display and have the freedom to get more done thanks to a variety of input connections.¹

Re-writable DVD drive.

Watch DVD movies² using the integrated optical drive—or write your own media.

Store more.

With up to 1TB of additional storage space, you can have more—more music, more videos, more photos.³

HP Connected Music.

Access multiple music sources from one location with HP Connected Music. Listen to radio stations and broadcasts from all over the world with TuneIn Radio and integrate your music library and leading music services in a single, unique application.⁴

¹ High definition (HD) content is required to view high-definition images. ² Actual speeds may vary. Don't copy copyright-protected materials. Sold separately or as an optional feature. ³ Not all features are available in all editions of Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8.1 functionality. See microsoft.com. ⁴ Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet access is required and not included. Optional features sold separately or as add-on features.

Datasheet
