

HP ENVY Desktop 700-500ny

Upgrade to amazing.

Enjoy the thrill of uncompromised performance and high-end graphics to accomplish daunting tasks. Enjoy premium BeatsAudio™ while working or playing on the HP ENVY 700 PC. Quick customization upgrades empower you to stay in control. The modern tower design looks as good on the outside as it does on the inside.

HP recommends Windows.

Top-notch performance, right out of the box.

Power is paramount. Choose the latest Intel processors and multitask across more graphic-intensive applications, including your favorite HD¹ video viewing and photo editing software.

The customization you crave.

Meet your computing needs now, and on future creative projects. The HP ENVY 700 lets you easily expand your technology essentials as you go. Customizations are simple with a tool-less access design.

Head-turning good looks.

With BeatsAudio™, and optional dual speakers and subwoofer, the HP ENVY 700 is designed for the best sounding, richest audio available on a PC.

HP Connected Music.

Access multiple music sources from one location with HP Connected Music. Listen to radio stations and broadcasts from all over the world with TuneIn Radio and integrate your music library and leading music services in a single, unique application.²

Featuring:

- Windows 8.1 or other operating systems available.
- Choose NVIDIA discrete graphics to redefine smooth, seamless, life-like gaming. Or opt for AMD ultra-high-performance graphics for a thrilling experience. The options are yours.
- Tool-less access for up to three HDDs or SSDs and two ODDs provide storage for your digital library and backup. Easily add or swap components.³
- Enjoy your photos, anytime, all in one place. Easily access photos across your PC and mobile devices, then print at home or on any web-based printer. Celebrate your memories and share your prints with friends and family.⁴

¹ High definition (HD) content is required to view high-definition images. ² Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet access is required and not included. Optional features sold separately or as add-on features. ³ Not all features are available in all editions of Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8.1 functionality. See [microsoft.com](http://www.microsoft.com). Hot keys on the Windows 8.1 keyboard will only function on the Windows 8.1 system. For full functionality of the share hot key, internet access is required and not included. ⁴ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>. Hot keys on the Windows 8.1 keyboard will only function on the Windows 8.1 system. For full functionality of the share hot key, internet access is required and not included.

Datasheet
