

HP Z3200 Wireless Mouse Natural Silver

The HP Wireless Mouse Z3200 provides powerful Blue LED optical tracking. Its ambidextrous shape and familiar button controls are easy to use. Compact contoured control.

- Impress and intrigue your friends and co-workers with the unique clamshell design enveloping contoured rubber grips - all providing a uniquely stylish and compact user interface.
- Exceptional tracking with 1,600 dpi optical sensor using unique Blue LED technology allows use on practically any surface including marble, granite and even carpet.¹
- The nano USB receiver is almost too simple. Just plug in and it automatically syncs with the mouse through a 2.4 GHz connection.² Now you're ready!
