

HP Slimline Desktop 450-a125ur

Slim on size. Big on reliability.

Conquer your day with the expanded storage, Intel® or AMD processor, a slimmer design, and tested reliability of this redesigned HP tower. Finding an affordable tower with the performance you need and the name you trust just got easier.

Quality engineering

We want you to buy confidently; so all our products undergo a set of rigorous hardware tests to guarantee you're bringing home affordable quality that lasts.

Featuring:

- Do more, faster. Packed with the latest power and performance technologies - including a 4th generation Intel® Core™ processor - keep up with the most demanding tasks.
- Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.
- Connect to displays, printers, devices, and more with ease.
- Watch DVD movies^s using the optional, integrated optical drive—or write your own media.
