

# HP All-in-One 20-r102ur

## The all-in-one for all your family needs

If you've been holding out for the All-in-One that gets the green light from everyone in your family, then this streamlined PC gets the vote. Practically priced and feature-rich, no wonder everyone loves it!

### The power to please

Why is HP a leading All-in-One brand? Because it has enough power for the whole family to stream, study, and stay super productive.

### Expand your view

Your videos will rock on this brilliant HD<sup>1</sup> display. And if you need another screen, we've added HDMI-out so you can simply connect to double your display space.

### Quality engineering

We want you to buy confidently; so all our products undergo a set of rigorous hardware tests to guarantee you're bringing home affordable quality that lasts.

### Featuring:

- Enhance your photos, movies, and games with a brilliant HD+ display and experience your visuals in captivating quality.<sup>4</sup>
- Handle all your everyday tasks easily. With industry-leading processors, get the reliable performance you expect and quality you can count on.
- Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.
- Whether it's music, videos, or games, experience deep, rich bass and crystal clear quality with concert-like sound.

<sup>1</sup> High definition (HD) content is required to view high-definition images. <sup>4</sup> High definition (HD) content is required to view high-definition images.
