

HP Spectre x360 13-4100nx

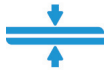

Does your notebook bend over backwards for you?

It's time to demand more from your notebook. Function meets flexibility in the elegantly designed x360. Any way you bend it, the Spectre x360 delivers. With four modes, lightning-fast performance, and impressive battery life, this convertible notebook has the best of all worlds and the shortcomings of none.

Distinctive versatility

Enjoy a seamless transition from notebook to tablet and everything in between, with an elegantly designed 360° hinge that lets this convertible notebook look great in every position.

Stunning style from any angle

Amazingly thin and light in a visually stunning metal body, this convertible notebook is a masterful blend of design and performance. With four modes in a 15.9 mm profile, what else compares?

Impressive performance. All day portability.

Enjoy lightning-fast performance throughout the day on this premium x360 that boasts up to 12.5-hours of battery life for your non-compromising schedule.¹

HP Lounge, get closer to the Artists you love

With unlimited access to Music and exclusive content there's no need to search for it, as it comes to you.²

¹ Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <http://www.bapco.com> for additional details. ² Unlimited access to Universal Music portfolio for 12 months for free. Internet access is required.
