

# HP K3010 Keyboard

## Low-profile navigation and typing.

HP's Wired Keyboard K3010 provides a modern approach to computer control fundamentals - with designated function keys for Windows 10 access.

### Classic streamlined efficiency

- No hunting and pecking with large format chiclet-styled keys within a full streamlined keyboard provide a comfortable and user-friendly experience.

### Keys with purpose

- More than just typing, the keyboard provides special function keys to allow for easy multi-media control and access to Windows 8 Charms Bar, Switch List, and more.

### Featuring:

- The keyboard's numeric keypad is designed for quickly entering numbers and calculations within spreadsheets or financial programs – including optional document control keys.
- The HP Wired Keyboard K3010 works with most computers and tablets using a Windows operating system.
- Quickly power up and down with the keyboard's energy-saving sleep function key.
