

HP Roar Travel

Rock on, anywhere.

The all-new HP Roar Travel is ready to take on tour. It's a premium Bluetooth® speaker with a battery that will let you stream music for up to 20 hours. It'll even charge your mobile device, and has a unique cable management system that stores cables within the device. Hit the road in style.

A truly powerful audio experience

- Audio by HP gives you rich, authentic sound on the go. Just connect your favorite device through Bluetooth®, and rock on.

Long-playing power

- This battery lasts for up to 20 hours of seamless streaming, so you're never cut off from your music. The built-in power pack keeps your mobile devices charged effortlessly.

Effortlessly organized

- The unique cable management system keeps cables stored inside the device, so no matter what you're charging, you'll never get tripped up by stray wires.

Features:

- Great sound quality;
- Bluetooth® connectivity;
- 4,000 mAh portable battery pack which charges smartphones;
- Speakerphone function;
- Unique cable management;
