FCC Rules and Regulations 47 CFR Part 68 ⁴⁾

Supplementary Information:

The product herewith complies with the requirements of the RoHS Directive 2011/65/EU, the R&TTE Directive 1999/5/EC and carries the **CE** marking accordingly.

Additional Information:

1. This product is assigned a Regulatory Model Number which stays with the regulatory aspects of the design. The Regulatory Model Number is the main product identifier in the regulatory documentation and test reports, this number should not be confused with the marketing name or the product numbers.
2. This product uses an analog fax accessory module which Regulatory Model Number is BOISB-0703-00 as needed to meet technical regulatory requirements for the countries/regions this product will be sold.
3. This product uses a radio module device which Regulatory Model Number is SDGOB-1391 as needed to meet technical regulatory requirements for the countries/regions this product will be sold.
4. The product meets the requirements of EN 55022 and CNS13483 Class A in which case the following applies: "Warning – This is a Class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures".
5. Telecom approvals and standards appropriate for the target countries/regions have been applied to this product, in addition to those listed above.
6. For Regulatory purposes product M527c is identical to product M527cm and will have different Marketing name.
