

Star Wars™ Special Edition 15-an001ne

You don't know the power of the dark side

Fully armed and operational, there's no other notebook like it in the galaxy. With a Galactic Empire-inspired design, commanding Intel® Core™ processor, and extensive collection of rare Star Wars content, you won't be able to resist the power of the dark side.

Dark side inspired

Strike fear throughout the galaxy with ominous dark side graphics. The Galactic Empire lives on in the battle-worn design of this unique special edition notebook.

Access to the Empire

Completely immerse yourself in the iconic Star Wars universe. This notebook comes preloaded with rare wallpapers, screen savers, concept art, and original trilogy storyboards from the Star Wars™ archives.

Witness its power

With a Full HD IPS display¹, Intel® Core™ processor², red backlit keyboard, and Audio by B&O PLAY you'll revel in its galaxy-spanning power. Be prepared to surrender all of your senses.

HP Lounge, get closer to the Artists you love

With unlimited access to Music and exclusive content there's no need to search for it, as it comes to you.³

Featuring:

- Windows 10 Home is here. Do great things confidently with the familiar feel of Windows - only better.⁴
- Light up the night with glowing red backlit keys. Keep going even in dimly lit rooms with an illuminated keyboard.
- With dual speakers, immerse yourself in a truly authentic audio experience. Don't just listen... let HP with Audio by B&O PLAY move you.
- Faster, quieter, and with more features, the 6th generation of Intel® Core™ processors enhances your computing experience like never before.

¹ High definition (HD) content is required to view high-definition images. ² Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance. ³ Unlimited access to Universal Music portfolio for 12 months for free. Internet access is required. ⁴ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
