

# HP Pavilion Notebook 15-ab223ne

**Expressive colours. Impressive power.**

Redesigned with you in mind, the colourful HP Pavilion keeps getting better. Our best-selling notebook is now more powerful so you can watch more, play more, and store more, all in style.

#### Brighter style

Colourful inside and out and with a new gradient-design around the keyboard, you'll be sure to make an impression wherever you take it.

#### Performance boost

We've upped the processing power with the latest technology so you can experience truly impressive speeds and performance.

#### Store more

Up to 2 TB of storage and increased memory lets you quickly move between multiple apps and easily store your expanding entertainment library.

#### HP Lounge, get closer to the Artists you love

With unlimited access to Music and exclusive content there's no need to search for it, as it comes to you.<sup>1</sup>

#### Featuring:

- Windows 10 Home is here. Do great things confidently with the familiar feel of Windows - only better.<sup>2</sup>
- Watch DVD movies<sup>3</sup> using the optional, integrated optical drive—or write your own media.
- Connect to displays, printers, devices, and more with ease.
- Run errands, travel and go about your day longer without worrying about recharging.<sup>4</sup>

<sup>1</sup> Unlimited access to Universal Music portfolio for 12 months for free. Internet access is required. <sup>2</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>. <sup>3</sup> Actual speeds may vary. Don't copy copyright-protected materials. <sup>4</sup> Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <http://www.bapco.com> for additional details.

## Datasheet
