

HP Slimline Desktop 450-101ne

Slim on size. Big on reliability.

Conquer your day with the expanded storage, Intel® or AMD processor, a slimmer design, and tested reliability of this redesigned HP tower. Finding an affordable tower with the performance you need and the name you trust just got easier.

Quality engineering

We want you to buy confidently; so all our products undergo a set of rigorous hardware tests to guarantee you're bringing home affordable quality that lasts.

Names you know. Performance you can trust.

From the Intel® or AMD processors to the Windows 10, these HP Towers are packed with reliable and proven technology from trusted brands.¹

Built for creativity

Create picture-perfect portraits and pro-quality videos with the powerful and dynamic CyberLink PhotoDirector and PowerDirector photo and video editing software. Add a second monitor for even easier editing.

HP Lounge, get closer to the Artists you love

With unlimited access to Music and exclusive content there's no need to search for it, as it comes to you.²

Featuring:

- Windows 10 Home is here. Do great things confidently with the familiar feel of Windows - only better.⁴
- Do more, faster. Packed with the latest power and performance technologies - including a 4th generation Intel® Core™ processor - keep up with the most demanding tasks.
- Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.
- Connect to displays, printers, devices, and more with ease.

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>. ² Unlimited access to Universal Music portfolio for 12 months for free. Internet access is required. ⁴ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
