

HP All-in-One 22-3120na

The all-in-one for all your family needs

If you've been holding out for the All-in-One that gets the green light from everyone in your family, then this streamlined PC gets the vote. Practically priced and feature-rich, no wonder everyone loves it!

The power to please

Why is HP a leading All-in-One brand? Because it has enough power for the whole family to stream, study, and stay super productive.

Expand your view

Your videos will rock on this brilliant Full HD¹ display. And if you need another screen, we've added HDMI-out so you can simply connect to double your display space.

Quality engineering

We want you to buy confidently; so all our products undergo a set of rigorous hardware tests to guarantee you're bringing home affordable quality that lasts.

HP Lounge, get closer to the Artists you love

With unlimited access to Music and exclusive content there's no need to search for it, as it comes to you.²

Featuring:

- Windows 10 Home is here. Do great things confidently with the familiar feel of Windows - only better.³
- Be prepared for brilliant visuals and crisp images with the unforgettable quality of this stunning FHD display.⁴
- Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.
- Whether it's music, videos, or games, experience deep, rich bass and crystal clear quality with concert-like sound.

¹ High definition (HD) content is required to view high-definition images. ² Unlimited access to Universal Music portfolio for 12 months for free. Internet access is required. ³ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates.
