

# HP All-in-One 22-3003ny

## Family tested. World approved.

If you've been holding out for the All-in-One that gets the green light from everyone in your family, then this streamlined PC gets the vote. Practically priced and feature-rich, no wonder everyone loves it!

### The power to please

Why is HP a leading All-in-One brand? Because it has enough power for the whole family to stream, study, and stay super productive.

### Expand your view

Your videos will rock on this brilliant Full HD<sup>1</sup> display. And if you need another screen, we've added HDMI-out so you can simply connect to double your display space.

### Quality engineering

We want you to buy confidently; so all our products undergo a set of rigorous hardware tests to guarantee you're bringing home affordable quality that lasts.

### Featuring:

- Get the most out of your All-in-One with an intuitive touchscreen and the unforgettable image quality of a stunning FHD display.<sup>4</sup>
- Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.
- Whether it's music, videos, or games, experience deep, rich bass and crystal clear quality with concert-like sound.
- Watch DVD movies<sup>5</sup> using the optional, integrated optical drive—or write your own media.

<sup>1</sup> High definition (HD) content is required to view high-definition images. <sup>4</sup> High definition (HD) content is required to view high-definition images.
