

HP Slimline Desktop 410-135na

Slim on size. Big on reliability.

Quality engineering

We want you to buy confidently; all our products undergo a set of rigorous hardware tests so you know you're bringing home affordable quality that lasts.

Built for creativity

Create picture-perfect portraits and pro-quality videos with the powerful and dynamic CyberLink PhotoDirector and PowerDirector photo and video editing software. Add a second monitor for even easier editing.²

HP Lounge, get closer to the Artists you love

With unlimited access to Music and exclusive content there's no need to search for it, as it comes to you.³

Featuring:

- Windows 10 Home is here. Do great things confidently with the familiar feel of Windows - only better.⁴
- Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.

² Intended for your original content and other lawful purposes. Do not copy copyright protected material. ³ Unlimited access to Universal Music portfolio for 12 months for free. Internet access is required. ⁴ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
