

HP Spectre X2 12-a000nn

Our thinnest detachable separates from all others

Brilliant design is about getting the best of both worlds, with none of the limitations. Our thinnest detachable spares nothing – it's durable, stylish, and powered to boost your productivity as a PC, a tablet and an irreplaceable sidekick.

Premium 2-in-1 experience

Work with full PC power on a high-performance keyboard, or travel freely with the versatility of a Full HD tablet in one resourceful device.¹

Masterfully crafted

Sculpted from a single piece of aluminum and a stainless steel kickstand for a solid, seamless finish, our thinnest detachable combines astonishing elegance with dependable durability.

Untethered freedom

Work beyond the outlet. With up to 10 hours of battery life and LTE capability, you've got the freedom to leave the plug behind.²

Featuring:

- Windows 10 Home is here. Do great things confidently with the familiar feel of Windows - only better.⁴
- The full-sized island-style detachable keyboard allows you to work anywhere, with 1.5 mm key travel for typing comfort, and a backlight for total productivity.
- The innovative U-shaped stainless steel kickstand rotates 150°, keeping your device at the perfect angle for all your viewing needs.
- The 30.5 cm (12-inch) diagonal FHD touchscreen with IPS technology gives you a 170 degree viewing angle at 1920x1280 resolution, on a WLED-backlit display.

¹ Full High definition (FHD) content is required to view FHD images. ² Windows 10 Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <http://www.bapco.com> for additional details. ⁴ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

Datasheet
