

HP Pavilion All-in-One 23-q125na

More than a PC. A centerpiece.

It's about time to think of the desktop as the slim, sleek device it can be. This leading All-in-One's distinctive look brings fashionable design to the center of your home, and its trusted HP performance makes the experience just as unforgettable.

The wow factor

With a beautifully engineered aluminum-coated stand and a soft pearl-coat finish, this All-in-One brings your interior design to the next level.

Powered to do more

A powerful Intel® processor and plenty of RAM provide an exciting level of power for creating photo projects, streaming your latest shows, and managing your home.

Edge-to-edge entertainment

Full HD resolution with an edge-to-edge glass IPS display brings your movies and photos to life in a cinematic way. Your TV may get dusty.¹

HP Lounge, get closer to the Artists you love

With unlimited access to Music and exclusive content there's no need to search for it, as it comes to you.²

Featuring:

- Windows 10 Home is here. Do great things confidently with the familiar feel of Windows - only better.³
- Reach out and touch, tap, or swipe with the responsive and intuitive touchscreen. Experience expansive crystal-clear entertainment on its edge-to-edge FHD display.⁴
- HP with B&O Play delivers the rich, authentic audio experience that immerses you so deeply in your music and entertainment that you can feel it. Don't just listen... let HP with B&O Play move you.
- Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.

¹ High definition (HD) content is required to view high-definition images. ² Unlimited access to Universal Music portfolio for 12 months for free. Internet access is required. ³ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>. ⁴ High definition (HD) content is required to view high-definition images.
