

HP Slimline Desktop 450-a110ny

Slim on size. Big on reliability.

Conquer your day with the expanded storage, Intel® or AMD processor, a slimmer design, and tested reliability of this redesigned HP tower. Finding an affordable tower with the performance you need and the name you trust just got easier.

Quality engineering

We want you to buy confidently; so all our products undergo a set of rigorous hardware tests to guarantee you're bringing home affordable quality that lasts.

Names you know. Performance you can trust.

From the Intel® or AMD processors to the Windows 10, these HP Towers are packed with reliable and proven technology from trusted brands.¹

Built for creativity

Create picture-perfect portraits and pro-quality videos with the powerful and dynamic CyberLink PhotoDirector and PowerDirector photo and video editing software. Add a second monitor for even easier editing.²

Featuring:

- Windows 10 Home is here. Do great things confidently with the familiar feel of Windows - only better.⁴
- Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.
- Connect to displays, printers, devices, and more with ease.
- Watch DVD movies⁵ using the optional, integrated optical drive—or write your own media.

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates.
