

Overview of security labels on HP ink cartridges

The HP Anti Counterfeiting and Fraud (ACF) Programme for channel partner and customer protection in EMEA

July 2018

Where to find selectability numbers and language options on original HP ink cartridge boxes in EMEA:

(caution: cartridge boxes with multilingual options, instead of language options, have no indication on the box)

Selectability number

Language option

This overview is subject to regular updates. Please [access the current version via hp.com](http://hp.com)

The table below summarises which original HP inkjet print cartridges come with a label, relating to the language option and selectability number on the box. You may have reason to be suspicious if a security label is missing from products listed in the blue sections.

| Language Option | Languages on box | Selectability numbers | Label (Y/N) |
|--------------------------|---|---|-------------|
| BA3 | English, Polish, Hungarian, Czech, Slovak | 300, 300XL, 301, 301XL, 302, 302XL, 304, 304XL, 336, 337, 338, 339, 342, 343, 344, 350, 350XL, 351, 351XL, 363, 363XL, 364, 364XL | YES |

| Worldwide multilingual | US English, Canadian French, Latin American Spanish, German, Chinese, simplified Chinese, Brazilian Portuguese | 38, 70 (printheads) | NO |

* Only available in selected countries; Languages on the box may differ.

** Due to space restrictions, the security label on HP 177 cartridge boxes obscures the artwork. This unusual positioning is intentional and, thus, no reason to be suspicious.
