

HP ENVY Phoenix 860-105na

Game on

We set out to change the way you think about towers. With jaw-dropping speeds and stunning graphics, switch between designing spreadsheets, editing video and crushing your enemies on a PC that was redesigned with one goal in mind: to give you game-changing performance.

Change the Game

Get ready – you'll be in for a white-knuckle ride. Optional overclocking!¹ Intel® Core™ i processor and latest NVIDIA GTX or AMD R9 graphics let you maximize power for an exhilarating experience.

Visible performance

With a brushed-metal chassis and HP LED Lighting Control for customizable lights, this tower demands attention. Blast one colour, or change it up with lights that react to its performance.

Engineered for the future of Gaming

This desktop can evolve with you. With optional liquid cooling and tool-less access to the hardware, crank up your gaming power with addictive customizability.

HP Lounge, get closer to the Artists you love

With unlimited access to music and exclusive content for HP customers, there's no need to search for it, as it comes to you.²

Featuring:

- Windows 10 Home is here. Do great things confidently with the familiar feel of Windows - only better.³
- Faster, quieter, and with more features, the 6th generation of Intel® Core™ processors enhances your computing experience like never before.
- Easily expand your machine's performance for an experience that's all you. It's simple to reach the hardware and quickly upgrade parts between battles.
- The Audio Control panel with tuning by Bang & Olufsen puts you in control of your audio. Adjust audio settings to suit your mood, and amplify your experience.

¹ Altering clock frequency and/or voltage may: (i) reduce system stability and useful life of the system, processor, and other system components; (ii) cause the processor and other system components to fail; (iii) cause reductions in system performance; (iv) cause additional heat or other damage; and (v) affect system data integrity. HP and Intel have not tested, and does not warranty, the operation of the processor beyond its specifications. HP and Intel have not tested, and do not warranty, the operation of other system components beyond their industry standard specifications. HP and Intel assume no responsibility that the processor and other system components, including if used with altered clock frequencies and/or voltages, will be fit for any particular purpose. ² Unlimited access to Universal Music's portfolio for 12 months, free to HP customers. Internet access is required. ³ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
