EN 50581: 2012

The product herewith complies with the requirements of the R&TTE Directive 1999/5/EC, the Ecodesign Directive 2009/125/EC, the RoHS Directive 2011/65/EU and carries the **CE** marking accordingly.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**Additional Information:**

- 1) This product is assigned a Regulatory Model Number which stays with the regulatory aspects of the design. The Regulatory Model Number is the main product identifier in the regulatory documentation and test reports, this number should not be confused with the marketing name or the product numbers.
- 2) The product was tested in a typical configuration.
- 3) The internal power adapter E3E01-60079 is for India and China market only.
- 4) This product uses a radio module with Regulatory Model Number SDGOB-1392 as needed to meet technical regulatory requirements for the countries/regions where this product will be sold.
- 4) Telecom approvals and standards appropriate for the target countries/regions have been applied to this product, in addition to those listed above.
