

HP Desktop 460-p001nx

The go-to tower at a go-for-it price

Conquer your day with the expanded storage, Intel® processor and tested reliability of this redesigned HP tower. Finding an affordable tower with the full performance you need and the name you trust just got easier.

Built to last

When you're looking for a desktop that just doesn't quit, HP has you covered. We put every tower through over 100 tests, ensuring its trusted reliability.

Names you know. Performance you can trust.

From the Intel® processors to the Windows 10, these HP Towers are packed with reliable and proven technology from trusted brands.¹

Cyberlink PowerDirector and Power Media Player included

Whether you're editing pro-quality videos or just watching your favorite DVD, powerful software gives you all the tools you need.

¹ Not all features are available in all editions or versions of Windows 10. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows 10 functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
