

HP Spectre x360 15-ap007na

360° of versatility. Zero compromises.

Compromise isn't in our vocabulary. We designed the Spectre x360 with a singular purpose in mind – uninhibited freedom. We've crafted a PC that answers any challenge you can pose, and does it all with inspiring performance. You deserve nothing less.

Slim, smart, and sophisticated

Four unique modes give you a high-performance notebook, impressive presentation tool, and multimedia marvel with an incredibly thin, effortlessly portable profile.

Experience the 4K difference

With up to 4K² resolution³, the 39.6 cm (15.6") diagonal display is ready for the future of HD⁴. See your photos and videos in stunning clarity with up to 8 million pixels.

HP Lounge, get closer to the Artists you love

With unlimited access to music and exclusive content for HP customers, there's no need to search for it, as it comes to you.⁵

Featuring:

- Windows 10 is here. Do great things confidently with the familiar feel of Windows – only better.⁶
- With over 8 million pixels on a brilliant edge-to-edge WLED display, it's easy to see the 4K difference. The stunning 3840 x 2160 resolution delivers your content in cinematic quality with incredible definition.
- Faster, quieter, and with more features, the 6th generation of Intel® Core™ processors enhances your computing experience like never before.⁷
- More shades of colour make every scene, photo or game come alive and match what you see through the camera lens. Experience a more accurate picture that gives ocean scenes more shades of blue, and nature scenes pop with a wide range of colors.

BANG & OLUFSEN

² 4K content required to view full 4K images. 4K display is optional. ³ Specifications can vary based on product number. ⁴ High-definition (HD) content is required to view high-definition images. ⁵ Unlimited access to Universal Music's portfolio for 12 months, free to HP customers. Internet access is required. ⁶ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>. ⁷ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance will vary depending on your hardware and software configurations. ⁸ Internet access required and not included.
