

HP Planet Partners

Partnering for the planet for more than 25 years

Since 1987, HP has recycled more than

3.3 billion

pounds of products...

...equaling the weight of more than

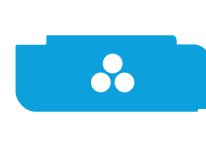

8 thousand

blue whales (1 whale : 400,000 pounds)

We recycled

342 million

pounds of hardware (including HP and non-HP products) and HP cartridges in 2015—the equivalent weight of 347 Boeing 747s. (1 Boeing 747 8I : 987,000 pounds)

HP provides easy, secure, and responsible ways to retire your IT products.
