

HP Pavilion x2 12-b101ni

Four versatile modes. Fully featured. Fully affordable.

When life demands flexibility, you need an affordable PC that pushes the limits of what you expect. Designed to power through your days, the 30.5 cm (12") diagonal Pavilion x2 delivers four versatile modes for the price of one.

An adaptable detachable PC

Go beyond notebook and tablet with stand and tent modes. The Pavilion x2's unique magnetic hinge gives you the power to pick a mode for exactly what you need.

Stunning detail in every pixel

The 1920 x 1280 IPS display¹ delivers crisp details and impressive viewing angles in Full HD+, while the 3:2 aspect ratio² lets you see more on the screen in portrait view with less scrolling.

Full-size keyboard. Included.

The versatile Pavilion x2 seamlessly blends the portability of a thin, metal tablet with the productivity of a solid full-size keyboard, for a comfortable typing experience whenever you need.

¹ Full high-definition + (FHD+) content required to view FHD+ images. ² All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
