

HP ENVY Notebook 15-as003no

Your limits redefined

When each stage of success is earned with hard work and determination, you need a device that takes performance seriously. Meet the latest ENVY laptop, a PC engineered to help you conquer even the most ambitious challenges.

BANG & OLUFSEN

Next level entertainment

Transformative entertainment starts with an immersive, cinematic experience. Dive right in with a brilliant FHD or on selected models 4K¹ display, audio by Bang & Olufsen and HP Audio Boost technology.

Powered for performance

With up to 16GB of RAM, the latest Intel® Core™ i Processors and up to 512GB PCIe storage on selected models, scrolling through your entertainment library and accessing all your documents is lightning-fast.

All-day portability

When everyday is nonstop, you need a device that is always ready for what's next. With a light, thin, all-metal body paired with an all-day battery², this laptop keeps up with you, no matter what your day demands.

HP Lounge, get closer to the Artists you love

With unlimited access to music and exclusive content for HP customers, there's no need to search for it, as it comes to you.¹⁷

Featuring:

- Windows 10 is here. Do great things confidently with the familiar feel of Windows—only better.
- Faster, quieter, and with more features, the 6th generation of Intel® Core™ processors enhances your computing experience like never before.
- With Iris™ Graphics, you can edit photos like a pro or power the most advanced displays available.
- Meet the lightning-fast drive that can keep up with your every demand. Load your apps fast with quick and efficient Solid-State Drives.

Backlit keyboard

¹ 4K content is required to view 4K images. ² Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <http://www.bapco.com> for additional details. ¹⁷ Unlimited access to Universal Music's portfolio for 12 months, free to HP customers. Internet access is required. ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>. ² Performance is sequentially faster (read-only) compared to traditional HDD. Performance enhancement may vary depending on system hardware and configuration.

Datasheet
