

OMEN by HP Keyboard with SteelSeries

When your PC is less of a workhorse and more of a battle station, equip yourself with gaming accessories designed to annihilate the competition. Developed with input from the top eSports teams, this keyboard's high-quality performance and precise attention to detail are the difference between crushing victory and heartbreaking defeat.

Light up your game

- 5 zones capable of 16.8 million colors gives you nearly limitless customization.

One-touch combos

- Program the 88 built-in macro keys for easy combos with just one keystroke.

Expand your arsenal

- Command total control with 2 integrated USB 2.0 ports and dedicated media controls.

Ghost killer

- 20 keys in the most-used gaming areas support anti-ghosting so every command is executed.
