

OMEN by HP Mouse with SteelSeries

When your PC is less of a workhorse and more of a battle station, equip yourself with gaming accessories designed to annihilate the competition. Developed with input from the top eSports teams, this mouse's high-quality performance and precise attention to detail are the difference between crushing victory and heartbreaking defeat.

Pixel-perfect movement

- Extreme precision with zero hardware acceleration, true 1:1 tracking, and best-in-class CPI adjustments.

Relentlessly engineered

- Proprietary SteelSeries switches maintain their tactile feel for over 30 million clicks.

Lighting at your fingertips

- Intelligent RGB illumination, capable of 16.8 million colors, gives you nearly limitless customization.

Victory-driven design

- The durable matte finish and refined side grips are resistant to sweat and abrasion.
