

HP Spectre Notebook 13-v000nia

Power never looked so thin.

This is design and technology taken to a whole new level. Artisan materials and striking craftsmanship create an experience unlike anything else. With a breathtaking composition that's 10.4 mm thin and full Intel® Core™ i5 or i7 power,² this luxurious laptop is completely irresistible.

There's thin and there's thinner

Desire starts with a design that has no comparison. Crafted with durable aluminum and carbon fiber, this impossibly thin laptop redefines perfection.

More power in every millimeter

It's time for unbelievable performance and revolutionary design to go hand in hand. The cutting-edge hyperbaric cooling system pulls cool air in to make full Intel® Core™ i power² a remarkable reality.

A sensorial masterpiece

Treat yourself to a more refined entertainment experience with a Full HD³, edge-to-edge Corning® Gorilla® Glass display, audio by Bang & Olufsen and three USB-C™ ports⁴ to power external displays and accessories.

Featuring:

- Windows 10 is here. Do great things confidently with the familiar feel of Windows—only better.
- Faster, quieter, and with more features, the 6th generation of Intel® Core™ processors enhances your computing experience like never before.
- With this BrightView panel, your videos, photos and documents are bright, clear and perfect for an ideal indoor experience.
- Enjoy crisp images on this vibrant Full HD display—even from ultra-wide viewing angles.

² Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. ³ Full high-definition content is required to view (FHD) images. ⁴ USB Type-C™ and USB-C™ are trademarks of USB Implementers Forum. ⁵ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>. ⁶ Full high-definition (FHD) content is required to view FHD images. ⁷ Performance is sequentially faster (read-only) compared to traditional HDD. Performance enhancement may vary depending on system hardware and configuration.

Datasheet

HP Spectre Notebook 13-v000nia

Operating System	Windows 10 Home 64
Software - Productivity	1 month trial for new Microsoft® Office 365 customers
Processor	Intel® Core™ i5-6200U (2.3 GHz, up to 2.8 GHz, 3 MB cache, 2 cores) Processor family: 6th Generation Intel® Core™ i5 processor
