

# HP Powerup Backpack

Get past your fear of power-failure with this revolutionary backpack. A built-in battery gives you the remarkable ability to charge your laptop, tablet, and smartphone wherever you are. Beautifully functional and exceptionally efficient, it's got the power to take you further.

## Big power for 3 devices

- Charges most HP Laptops with up to 43.94 cm (17.3") diagonal screen size, a tablet, and a smartphone.<sup>1</sup>

## High-capacity 22400 mAh battery

- Provides a full charge to most HP laptops, charges a tablet up to three times, and a smartphone up to 10 times.<sup>2</sup>

## Integrated cable routing

- Organized inter-pocket cable routing eliminates tangles.

## Features

- A built-in heat sensor monitors backpack temperature and adjusts accordingly.
- Meets security requirements for in-flight carry-ons.
- Heavy-duty canvas exterior with interior padding and durable straps helps provide long-lasting laptop protection.
- Easily access and use your phone while it's charging.
- Two USB micro cables for Android® devices and one laptop cable included.
- Easily recharge your backpack with a side-pocket plug-in.
- With power priority, you control the order in which your devices charge.
- Coated to resist wet weather and comes with its own raincoat.
