

HP x2 10-p090nia

Four versatile modes. All the features you need.

A simple detachable PC that gives you all the essentials and four different modes. It opens up new possibilities at an affordable price.

The adaptable detachable

Go beyond laptop and tablet with stand and tent modes. With a thin and light design and unique magnetic hinge you can pick the perfect mode to work, watch, play and go.

HP Fast Charge

Long-running. Quick-charging.

With up to 11 hours of battery life¹ and a 50% charge in 30 minutes, you can work longer, watch more, and stay connected.²

Webcam

Capture the moment, not your fingers.

Designed so you can get the best shot, the 5 MP rear camera is placed in the corner to keep your fingers out of the picture.³

¹ Windows 10/ MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details. ² HP Fast Charge recharges your battery up to 50% within 30 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Available on select HP models. ³ Features may require software or other 3rd party applications to provide the described functionality.
