

HP Pavilion Desktop 560-p001no

Back and bolder than ever.

While other towers have been standing still, HP has revolutionized the category. From magnified performance and reliability, to its stylish redesign, this HP Pavilion is the best thing to happen to towers in over 20 years.

Keeping up appearances

This desktop comes infused with style. Revolutionize your workspace with the redesigned HP Pavilion.

Performance worth bragging about

Up to 3 TB of storage, optional graphics, and up to 2 display support let the hardware we packed in this tower stand up to even the closest scrutiny.¹

A trusted leader

Decades of experience have taught us there's nothing more important than trust. Our rigorous set of hardware tests help ensure you always get proven reliability.

HP Lounge, get closer to the Artists you love

With unlimited access to music and exclusive content for HP customers, there's no need to search for it, as it comes to you.¹⁷

¹ For hard drives, TB= 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB of hard drive is reserved for system recovery software. ¹⁷ Unlimited access to Universal Music's portfolio for 12 months, free to HP customers. Internet access is required.
