

# HP Travel Power Adapter 65W

The lighter, compact form factor travels easily and still packs the standard 65W power you need. Perfect for replacing an existing adapter or using as a backup, it comes with a built-in surge protector and regulates power based on your device's needs. Work confidently with a reliable adapter that moves as easily as you do.

## Standard power

- This 65W power adapter delivers the power you need with an HP standard 4.5mm connector.

## Lightweight design

- At only .48 lbs (0.22kg), it fits comfortably into your bag without weighing it down.

## Contemporary look

- The gently-curved corners and compact, square design travel easily.

## Features

- Depending on what your device needs, it delivers up to 19.5V and 3.33A of power.
- The built-in surge protector keeps your laptop safe from sudden power changes.
- Keep your cable neat and organized with the attached hook and loop fastener.
- The right angle connector reduces cord stress and allows easy access to your other ports.
