

### Motors

The following table provides the required product information on HP Scitex TJ8600 and FB7600 printers, according EU directive 2005/32/EC.

Ref.	Parameter/Description	Data/Value
1.1	Nominal efficiency ( $\eta$ ) – full load	87.50%
1.2	Nominal efficiency ( $\eta$ ) – 75% load	86.50%
1.3	Nominal efficiency ( $\eta$ ) – 50% load	84.00%
2	Efficiency level	IE2
3	Year of manufacture	2011
4	Manufacturer's name or trade mark	WEG Electric Motors UK Ltd.
5	Product's model number	AL-112M-02
6	Number of poles of the motor	2
7	Rated power output(s) or range of rated power output	4 kW
8	Rated input frequency of the motor	60 Hz
9	Rated voltage(s) or range of rated voltage	460 V
10	Rated speed(s) or range of rated speed	3490 rpm
11	Information relevant for disassembly, recycling or disposal at end-of-life	Needs recycling
12	Information on the range of operating conditions for which the motor is specifically designed	None
