

HP Pavilion All-in-One PC 24-b120np

Always the Center of Attention

Gather around and experience the power of your family's new centerpiece. The HP Pavilion All-In-One brings style and performance to the center of your home. From media streaming to homework conquering, this PC will keep your family's attention.

Powerfully engaging

With an industry-leading powerful processor¹ and up to 16 GB of RAM, your family can surf, stream, work, and play with all the power they need.

An entertainment standout

With the brilliant edge-to-edge Full HD IPS display² and dual front-firing HP speakers, custom-tuned by B&O PLAY, captivate your family with immersive entertainment.

Designed to show off

This All-in-One is styled to be the centerpiece of your home. The small footprint of its sleek design takes up less space, while adding a modern touch to your desk.

¹ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. ² Full high-definition (FHD) content required to view FHD images.

HP Pavilion All-in-One PC 24-b120np

Featuring

Windows 10

Do great things confidently with the familiar feel of Windows—only better.

IPS panel

No matter where you stand, this screen delivers clear, vivid images with 178° wide viewing angles, so everyone can get a great view.

802.11ac (1x1) WLAN & Bluetooth® 4.2

Stay connected to Wi-Fi and to Bluetooth® accessories with wireless technology.

Re-writable DVD drive

Watch and write DVDs using the integrated optical drive.

DDR4 RAM options

Designed to run more efficiently and more reliably at faster speeds, DDR4 is the future of RAM. With its higher bandwidth, everything from multi-tasking to playing games gets a performance boost.

Hard drive storage

Don't worry about growing your collection of digital movies, songs, and pictures. With massive storage options you can save it all, and still have plenty of room left over.

⁴ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

⁵ Actual speeds may vary. Don't copy copyright-protected materials.
