

HP Webcam HD2300

Video calls made simple. Instantly connect and communicate with this user-friendly high-definition webcam. Compatible with most popular video calling services, this camera features widescreen 720P HD so you can chat and record videos with good image quality.

Communication made easy

- Quickly launch the webcam and connect using Skype, or Google calling services.¹

Enhanced webcam experience

- Image-enhancing 720P HD produces images in 16x9 widescreen format. Paired with the directional microphone, everyone gets seen and heard.²

Share with your network

- One-click upload to Facebook makes sharing easy.

Features

- HP Webcam Control Center centralizes tools and applications on your desktop for easy access to camera functions.²
- Mount your camera anywhere with the versatile clip and adjust freely with 360° pan & 30° tilt.
- The clean, streamline design saves space and features deluxe accents.
