

HP ENVY x360 15-aq105nn

360° of endless versatility

A work device with entertainment aptitude. A media machine with productivity power. Versatility makes a difference. The brilliantly flexible ENVY x360 bends beautifully to all your needs. Get more work done, get more from your entertainment, and do it all with power and performance.

Ingeniously versatile

The thin, all-metal body and 360° hinge give you four modes to work any way you want. Shift from productivity mastermind to multimedia marvel with ease.

Stunning views

With a 39.6 cm (15.6") diagonal IPS Full HD¹ or 4K² display on selected models, all your entertainment and creative projects can shine. Edit photos and stream your media with perfect clarity.

Superb performance

With next-generation Intel® Core™ i processors³ and up to 16GB of RAM, you can harness superb productivity power, and keep going with up to 9.75 hours of battery life⁴.

¹ Full high-definition (FHD) content is required to view full FHD images. ² 4K content is required to view full 4K images. ³ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. ⁴ Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <http://www.bapco.com> for additional details.

HP ENVY x360 15-aq105nn

Windows 10

Do great things confidently with the familiar feel of Windows—only better.⁵

7th generation Intel® Core™ processors

Powerful performance easily keeps up with all your multitasking demands, enables new ways to interact with your PC, and delivers enhanced 4K video capabilities.

IPS panel

No matter where you stand, this screen delivers clear, vivid images with 178° wide viewing angles, so everyone can get a great view.

Intel® HD Graphics

Impressive graphics help with everything you do. Whether it's watching a video or just surfing the web, Intel® HD Graphics render all the visuals on your screen with smooth, vivid quality.

Hard drive storage

Don't worry about growing your collection of digital movies, songs, and pictures. With massive storage options you can save it all, and still have plenty of room left over.

DDR4 RAM options

Designed to run more efficiently and more reliably at faster speeds, DDR4 is the future of RAM. With its higher bandwidth, everything from multi-tasking to playing games gets a performance boost.

⁵ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

HP ENVY x360 15-aq105nn

Specifications

Performance

Operating System

Windows 10 Home 64

Processor

Intel® Core™ i5-7200U (2.5 GHz, up to 3.1 GHz with Intel® Turbo Boost Technology, 3 MB cache, 2 cores)

Processor family: 7th Generation Intel® Core™ i5 processor

Memory

8 GB DDR4-2133 SDRAM (2 x 4 GB)

Storage

1 TB 7200 rpm SATA

128 GB M.2 SSD

Dropbox¹
