for channel partner and customer protection in EMEA**

ACF Success Notice for corporate customers
Russia, December 2016

Russian officials raid major counterfeiter

- In November, Russian authorities acted against a major source of fake toner cartridges for HP printers.
- At an office and a combined manufacturing and storage facility in the Moscow area, officials confiscated over 12,000 fake toner cartridges and components, as well as equipment for manufacturing fakes.
- HP is glad to have supported the action and congratulates the Russian authorities on this success.

Protect your company against fakes

- We recommend to only buy from trusted vendors such as HP channel partners and to explicitly ask for HP originals. [Learn more!](#)

- If you have received a delivery of suspicious cartridges, please ask for one of our free Customer Delivery Inspections (CDIs). [Learn more!](#)
